aid. Neither does the senator from Ogallala want state aid. Now, we all realize if we're going to pass a bill, we're going to have to arrive at a compromise. And we all realize that this bill and LB772 is a compromise. We have reason to believe that the Governor doesn't recommend it but he says by his staff he would accept this bill which we're now discussing. And I propose we ought to give it to him, we ought to expedite it, we ought to read that ahead of LB772 as suggested by Senator Warner and let's give the people of this state some relief in the area of taxes on a home, and ranches and farms. Let's quit talking about it and let those who want to drag their feet, let them drag it.

PRESIDENT: Senator DeCamp and then Warner, Nore, Keyes.

SENATOR DE CAMP: Mr. President and members of the Legislature. I have a series of questions of Senator Lewis or Senator Whitney or Senator Warner, very simple questions so I can better understand this whole package of state aid. Would any or all of them be willing to answer?

PRESIDENT: Well, pick one.

SENATOR DE CAMP: Well, let's start with Senator Lewis.

PRESIDENT: Okay, Senator Lewis, do you yield?

SENATOR LEWIS: Yes, speaking on behalf of myself, I certainly will.

PRESIDENT: Okay.

SENATOR DE CAMP: Senator Lewis, so I understand what your intentions behind state aid, what do you understand the whole purpose of this state aid be, in other words, why are we even passing state aid when we already financing for the schools?

SENATOR FRANK LEWIS: Well, there's.....

PRESIDENT: Excuse me. Senator Duis?

SENATOR DUIS: I have a point of order here. I believe we're discussing an amendment to a limitation spending bill and not state support for education. I'm sorry, Senator, but I don't believe it's relevant.

SENATOR DE CAMP: I'm discussing exactly the spending limitation and I will arrive at that shortly if I'll be allowed to proceed in my questioning?

(End of Belt #10)

(Begin Belt #11)

SENATOR DUIS: I'm sure as an attorney you'll be able to phrase your question, when the objection comes to court, you're able to re-phrase it.

SENATOR DE CAMP: Am I sustained?

SENATOR DUIS: Yes.
